March FoodShare Campaign 2020

As a congregation we will participate in the March Food Share Drive for cash and food items. We are very fortunate to have

such a robust food shelf here in the Annandale area. According to the Minnesota Food Share hunger facts, over three million visits are made to Minnesota food shelves each year and nearly one in eleven Minnesotans experience food insecurity. It is very important that government programs like SNAP (Supplemental Nutrition Assistance Program) continue to be supported.

The Mission March funds collected in March will be designated to the Annandale Area Food Shelf. In addition to cash, Jean Skomoroh, Food Shelf Coordinator indicates that they are in need of individually packaged snacks for kids like granola bars, cereal bars, etc. Health and beauty items such as shampoo, deodorant, bar soap, toothpaste and the like are very important. As in the past, paper products like facial tissue and toilet paper are also needed.

The food shelf appreciates any and all donations, but asks that any items donated not be expired.

Thanks for your support,
Linda Elfstrand and Aleta Isaacson, Outreach Coordinators

Let's promote a little healthy competition, by asking each side of the sanctuary to "Pack the Pews", putting donations in the back pews on each side, and seeing which side is able to give more! Pastor Paul
