National Night Out!

What a great night! Seems like things started out slowly, as many things do, and then they speed up without us even

noticing. Until, you run out of ice cream for the Root Beer Floats!

From *giant Jenga* to being surrounded by fire trucks and fire-persons, from playing *giant Connect Four* to meeting families that are new to the neighborhood, the night was amazing.

It seems we went through stages in greeting people, early on were the families with small kids who really enjoyed getting in the fire engines and the ambulance. After that came the older families and adults. And to round out the night we got a chance to spend some time with the members of various groups that meet in our building. We probably welcomed over a hundred people in our side yard.

Just a big thank you to everyone that made this ministry and a wonderful night possible.

Corn Feed!

Norm, you did it again! That was the best corn ever! We opened our doors again to the community with our annual free corn feed.

Garry Elfstrand entertained us with his bluegrass style guitar and voice while everyone enjoyed a great meal and visiting together. And of course, the highlight of the night, the best Corn on the cob ever!

I think we may have hit a new high as we welcomed over a hundred guests. Thank you to everyone for your hospitality. This was really fun!
